

KGC – USING THE CLUB WEBSITE, INCLUDING MASTER SCOREBOARD ON MOBILE

Welcome to Kirkcudbright Golf Club's new website and we hope you find it a useful resource. Most pages are similar to the old website but we have regrouped some functions to make them easier to access, particularly for accessing Master Scoreboard. This means there is a single tab to get to all the tee booking, competition and handicapping support.

This is the start point for the new Home Page (www.kirkcudbrighgolf.co.uk) on mobile. You can always get back to here by tapping the Club title in the centre. To navigate to the page you want tap the "hamburger" or menu list icon here.

This opens the full menu list in mobile view. You will probably need to scroll down (or flick the list up) to get to the bottom of the list. When you have found the page you want just tap on it.

If you tap on either "tee booking" or "results" you will go through to Master Scoreboard but using the mobile version of the site. It is similar to the desktop view. If you select "tee booking" you will open this page.
